

Professional Indemnity Proposal Form

Financial Advisers

Presentation and Background Information

The proposal form is usually the main point of contact between you – the Insured - and us, - the Insurer. It is therefore important that the information contained in the form is expressed and presented to a high standard. Where there is insufficient space available, please use clearly marked appendices, indicating which questions they refer to.

If you are in any doubt whether information should be disclosed, please consult your broker or us if you do not have a broker.

Insurance Act 2015 – Duty of fair presentation

1. Before this insurance contract is entered into, the Insured must make a fair presentation of the risk to the Insurer, in accordance with Section 3 of the Insurance Act 2015. In summary, the Insured must:

a) Disclose to the Insurer every material circumstance which the Insured knows or ought to know. Failing that, the Insured must give the Insurer sufficient information to put a prudent Insurer on notice that it needs to make further enquiries in order to reveal material circumstances. A matter is material if it would influence the judgement of a prudent Insurer as to whether to accept the risk, or the terms of the insurance (including premium);

b) Make the disclosure in clause (1)(a) above in a reasonably clear and accessible way; and

c) Ensure that every material representation of fact is substantially correct, and that every material representation of expectation or belief is made in good faith.

2. For the purposes of clause (1)(a) above, the Insured is expected to know the following:

a) If the Insured is an individual, what is known to the individual and anybody who is responsible for arranging his or her insurance.

b) If the Insured is not an individual, what is known to anybody who is part of the Insured's senior management; or anybody who is responsible for arranging the Insured's insurance.

c) Whether the Insured is an individual or not, what should reasonably have been revealed by a reasonable search of information available to the Insured. The information may be held within the Insured's organisation, or by any third party (including but not limited to subsidiaries, affiliates, the broker, or any other person who will be covered under the insurance). If the Insured is insuring subsidiaries, affiliates or other parties, the Insurer expects that the Insured will have included them in its enquiries, and that the Insured will inform the Insurer if it has not done so. The reasonable search may be conducted by making enquiries or by any other means.

The Continuing Duty to Disclose

The duty to disclose material circumstances is not confined to completion of proposal forms at inception or renewal. If, during the period of insurance arranged there is any material alteration/change in the information disclosed in the proposal information, prompt disclosure to us is essential. This might include, but is not limited to:

- new partners, directors, corporate entities, partnerships or trading titles,
- any change in the areas of activity of the Insured Firm(s),
- the possibility of a claim being made against the Firm(s),
- any change in the trading status of the Firm(s), or membership of professional bodies, or regulatory status.

Failure to comply with these duties of disclosure may mean the policy will not respond to a claim, or may be avoided entirely.
